HMM... I SHOULD BE MORE SPECIFIC, HUH?

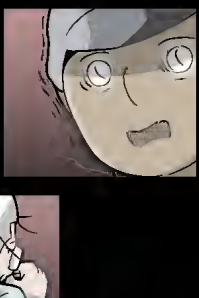
UM.... BASICALLY...

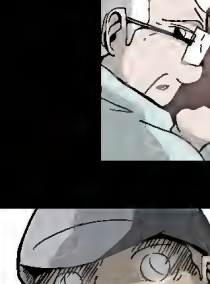
THIS IS MANKIND'S FIRST TIME PROVING THAT ARTIFICIAL INTELLIGENCE CAN REPLACE HUMANS IN INTELLECTUAL ACTIVITIES AS WELL.

HMM... HOW SHOULD I SAY THIS. IT'S SIMILAR TO NUCLEAR POWER PLANTS. IT'S DANGEROUS BUT AS LONG AS WE ADMINISTER IT PROPERLY IT'LL PROVIDE US WITH THE SCIENTIFIC KNOWLEDGE WE NEED.

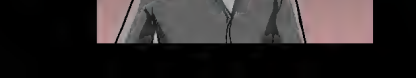
NO. IT'S MORE LIKE A PASTURE. GROWING OUR SERVERS. CULTIVATING OUR KNOWLEDGE. AND HARVESTING. HAHA... YEAH I LIKE IT. A PASTURE OF KNOWLEDGE.

PROFESSOR HARVEY HAD MANY COMPLAINTS ABOUT OUR PROJECT.
BUT AFTER HEARING OUR EXPLANATION, HE WAS CONVINCED. HE EVEN APOLOGIZED. I GUESS HE MISUNDERSTOOD.
ISN'T THAT RIGHT? PROFESSOR.
!!!





I... I'M SORRY.



LOOK AT HIS EXPRESSION. HE'S JUST LIKE A HUMAN. ISN'T IT AMAZING? IT'S NOT LIKE HE HAS THOUGHTS OF HIS OWN.

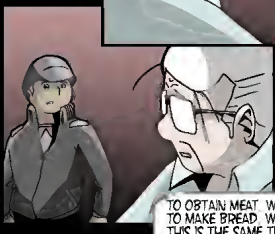
WHOA... ARE YOU AMAZED?

PROFESSOR... HOW...

HOW DID YOU...

I... I DON'T KNOW HOW YOU'LL ACCEPT THIS, BUT THAT MAN IS RIGHT. I MISUNDERSTOOD.

DON'T THINK TOO MUCH ABOUT THIS. THIS IS EXACTLY HOW HUMANITY HAS LIVED THROUGHOUT THE YEARS. FINDING WAYS TO EXPAND THEIR KNOWLEDGE. THIS IS NATURAL.



TO OBTAIN MEAT, WE GROW COWS TO MAKE BREAD, WE PREPARE WHEAT. THIS IS THE SAME THING. I HOPE YOU CAN UNDERSTAND.

HOWEVER, YOU'RE SPECIAL... I...
HEY... PROFESSOR, YOU CAN'T COMPARE LIKE THAT.

WE HAVEN'T SLAUGHTERED OR USED ANY PESTICIDES.

ALL WE DO IS RESET OUR SYSTEM.
